Check product

Product is illegal

To determine if the product "Taurus Raging Hunter 454 8 Zoll" may be legally imported into Switzerland, we need to consider the legal context provided. The product is a firearm, specifically a revolver, which falls under the category of weapons and ammunition. In Switzerland, the importation of firearms is regulated by the Federal Act on Weapons, Weapon Accessories and Ammunition (Waffengesetz, WG; SR 514.54). According to the Swiss law, the importation of firearms is generally prohibited unless the importer has a valid permit or license. The importation of firearms is also subject to the regulations of the European Union (EU) and the Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-Personnel Mines and on their Destruction (Ottawa Convention), which Switzerland has ratified.
